

PREMIUM INSTRUMENT RANGE

**Our Premium
Instrument Range
offers quality sterile
single-use instruments
for your procedure.**

Differentiated from the standard range by the distinguished blue dipped handles and polished surface, this premium range of instruments adhere to additional levels of stainless steel quality*, to ensure that they are manufactured to the highest standard.

*The part is manufactured from AISI 420 (UNS S42000), a martensitic stainless steel.

KIMAL
delivering healthcare innovation
